The exhibitor declares himself/ herself in agreement with any changes in relation to the positioning of the stand within the exhibition. The exhibitor can express wishes for particular positioning in his/ her registration without this resulting in a claim to special positioning. Registrations with reservations are not considered to constitute a serious interest in participation and shall not be considered. Further, upon submittal of registration the exhibitor recognizes these

Terms of Participation, the General Participation Directives of IDFA (dated 11/2009) and the Technical Directives of MESSE BREMEN (dated 11/2011) for the event. The contract governing participation in the fair including the stand rental fee is concluded with MESSE BREMEN's written acceptance (confirmation) of admission – also by fax – in accordance with the conditions of these Special Terms of Participation, the General Participation Directives of IDFA and the Technical Directives under consideration of the order of priority given in the item naming these conditions.

10) Nomenclature

Exhibitors must come from the jazz music scene or other related areas: labels, musicians, publishing houses, festival and concert organizers, agencies, talent scouts, jazz club operators, jazz producers, instrument makers and distributors, jazz departments of colleges of music, radio and TV editors, technical equipment, arts, distributors, promoters. Other providers upon request.

11) Conditions of admission

Admission shall only be granted to companies, associations and institutions that correspond to the nomenclature of the event (see Fig. 10 above). MESSE BREMEN shall decide on admission to the event and on stand location at its discretion. The admittance of other companies, associations and institutions to the rented stand is only possible as a registered co-exhibitor and with the prior consent of MESSE BREMEN. Direct sales to visitors on the occasion of the fair are likewise only permitted with the prior written consent of MESSE BREMEN. Exhibitors do not have a legal claim to admission to the fair.

12) Stand rental fees

Corresponding to the registration form. All prices are net prices (+19% VAT). For two storey stands the projecting part will be invoiced with 25% of the price per sqm floor space. The AUMA fee (Ausstellungs- und Messe-Ausschuss der Deutschen Wirtschaft, 0,60 EUR per sqm exhibition space) has to be paid additionally.

13) Special services

Special services, such as electrical power supplies and telecommunications etc. must be ordered on separate technical order forms. The exhibitor will be charged separately for the special services. Water supply and drainage can only be installed according to technical possibilities. Special services must be ordered by 21 March 2018. MESSE BREMEN reserves the right to employ subcontractors. Technical order forms will be sent after receipt of the binding registration. They are part of the application and contract.

MESSE BREMEN will arrange general supervision and security of the halls and fair grounds. Security and cleaning of individual exhibition stands and exhibited articles must be arranged by the exhibitor. Contracting companies are available for stand guarding and cleaning.

14) Terms of payment

All prices are net prices subject to the statutory VAT. VAT shall be stated separately by MESSE BREMEN in the invoices. Invoicing shall be carried out after conclusion of the particular contract after dispatch of registration confirmation by MESSE BREMEN. The invoice sums are to be paid within the time(s) stated in the invoice, as a rule within 14 days, starting from the date of the invoice, in full amount and without deductions as a cashless payment to MESSE BREMEN.

15) Cancellation & non-participation on the part of the exhibitor and lump sum damage claims

After a contract on participation in the fair has come into being through delivery of the confirmation of registration the exhibitor has to pay the full rental fee to MESSE BREMEN even if he/ she withdraws from (cancels) the contract or does not take part in the fair for other reasons. If the withdrawal (cancellation) from the effected contract occurs more than two months prior to the start of the event, the exhibitor shall pay to MESSE BREMEN 50% of the agreed rental fee; if the withdrawal (cancellation) occurs within two months prior to the start of the event, 100% of the agreed rental fee shall be paid to MESSE BREMEN. The rental fees/ compensations named above (summed up below under "Fees") shall be reduced to the extent to which MESSE BREMEN succeeds in finding a replacement for the withdrawing exhibitor and under consideration of any additional costs arising in relation to renewed rental of the stand. The parties are permitted to substantiate a lower or higher fee. Further, a lump sum fee shall not be charged in so far as the withdrawal (cancellation) from the contract is effected by the exhibitor for a reason for which MESSE BREMEN is responsible. In case of force majeure, the IDFA Guidelines (paragraphs 8.0-8.5) of the „General Guidelines of participation for fairs and events of IDFA Members“ apply. In these cases, in addition to paragraph 8.2, MESSE BREMEN retains 30% of the total trade fair stand invoice for the costs incurred up to that point and the administration effort.

16) Safety instructions

Driving on the fair ground is only permitted for loading and unloading. The maximum speed is 5km/h. The road traffic regulations (StVO) shall apply. During the opening hours of the fair any kind of traffic on the fairground is prohibited. Fire extinguishers, emergency exits and warning and information signs have to be directly accessible and clearly visible. All aisles must be free for possible rescue operations.

17) Cleaning / Waste disposal

The exhibitors are bound to use underlays for greasy / oily exhibits. Any kind of soiling of the floor or the fair ground is prohibited. All resulting cleaning costs have to be paid by the exhibitor. The exhibitors are bound to collect and dispose of the waste in the garbage bags that are offered by the contracting company, especially during dismantling. In case the exhibitor does not abide by this, MESSE BREMEN or another third party will invoice this service after the event. The pasting of the partition walls is only possible with an adhesive tape which remains the surface clean and without any residue after removing. After the exhibition every exhibitor has to remove all material from the partition walls and the stand construction equipment and have to remove this in to the original state. Should this not take place, we will invoice the additional cleaning (27, 50 € per hour) and the possibly damaged partition walls (29, 00 € plus VAT. per wall panel).

18) Set-up / Decoration

In the interests of an overall representative impression of the fair, the exhibitor is bound by the rules and regulations of MESSE BREMEN. MESSE BREMEN must be consulted if stands exceed the normal height of 2.50 meters. MESSE BREMEN does not supply partition walls for stand separation. These have to be ordered and paid for separately. Stand set-up must be completed by 19 April 2018 at 11.00 a.m.

At this time, the stands must be clean and all packaging material removed.

Should the exhibitor not have begun to set up his stand by 19 April 2018 at 10.00 a.m., the stand is at the disposal of the organizer and may be passed on to other applicants. The obligation of paying the stand fee remains not with standing.

19) Dismantling

Stand dismantling and removal of all exhibition goods brought to the fair by the exhibitor must be concluded by 22 April 2018 at 0.00 a.m.

20) Advertising

The rented stand has space for advertising up to a maximum height of 2.50 m. Banners and company signs must not extend beyond stand dimensions.

21) Regulations for selling

22) Exhibitor passes

The exhibitor passes are valid from the first to the last day of the fair. The number of exhibitor passes free of charge depends on the number of square meters. For details see the registration form. Additional exhibitor passes may be ordered at extra charges.

MESSE BREMEN and, with their agreement also press and TV teams are allowed to take photos and video clips showing the event activities, trade show visitors and exhibition stands.
